FISCAL/STAFFING STATEMENT:

BACKGROUND:

Xtreme Roofing Construction, LLC. of Sanford, Florida provides construction contracting and roofing services to the City through a competitively bid procurement. The currently requested approval of emergency work is to provide demolition, renovation construction services to the Sanford Downton Marina. During hurricane Ian, the office and storage building experienced severe interior flooding which caused significant damage and elevated mold growth which rendered the building unusable, unsalvageable and as such the marina management personnel was evacuated from using these premises. The work performed by this firm and also a certified mold construction company, will provided the necessary demolition of this space, sanitation and rebuild required in order to reoccupy and resume normal administrative operations to the marina.

The services of Xtreme Roofing Construction, LLC. were procured by means of piggybacking a Seminole County Sheriff's Office contract C/A #2022-22 through # PBA 21/22-234. The piggyback process is a program of cooperative bidding which may be used by public bodies, public entities and political subdivisions throughout the State and it satisfies all purchasing requirements

applicable to the City. This process results in the procurement of goods and services at highly competitive pricing without the expenditure of City funds that would otherwise be directed by means of the highly time-intensive procurement processes and procedures that are necessitated by competitive bidding, etc.

The adoption of a budget amendment resolution and authorization to procure services are requested. The services will be procured in accordance with the City's Purchasing Policies and Procedures.

LEGAL REVIEW:

The Assistant City Attorney has reviewed the proposed Resolution and procurement procedure set out in this Agenda memorandum and has no legal objection.
